(d) After an individual's access privileges are revoked, if the conduct which resulted in revocation was such that it merits reporting to an appropriate governmental licensing organization such as a State bar, the VBA Regional Office of jurisdiction will immediately inform the licensing organization in writing of the fact that the individual's access privileges were revoked and the reasons why.

(e) The VBA Regional Office of jurisdiction may temporarily suspend access privileges prior to any determination on the merits of the proposed revocation where the Regional Office Director or the Director's designee determines that such immediate suspension is necessary in order to protect the integrity of the system or confidentiality of the data in the system from a reasonably foreseeable compromise. However, in such case, the Regional Office shall offer the individual or organization an opportunity to respond to the charges immediately after the temporary suspension.
